### Oakleigh Grammar Parent Declaration

My signature below indicates that I have read the conditions of enrolment found in the School Enrolment Book and agree to abide by these and any regulations in force at the School. I agree to pay promptly and by the due date all fees and other money due to the School in respect of the child enrolled.

Students will not be permitted to commence a new term whilst any fees remain unpaid, unless written permission has been granted by the Principal or Finance Manager prior to the commencement of the term. It is further agreed that we will be liable to pay the School all costs (including legal and debt collection costs) which result from the non-payment or late payment of accounts.

In cases where there has been substantial non-compliance with the rules and regulations of the School, the School may impose special conditions for the ongoing enrolment of the student which may include the requirement of payment of annual fees before the commencement of the year.

I/We agree to work with the School in my/our child's education, by following the advice of the Principal and staff, supporting the ethos of the School, abiding by the School's uniform and attendance requirements, upholding the standards of discipline set by the School and allowing our child to participate in all compulsory activities, sport and School camps.

All information relating to account and administration matters shall be provided equally to the signatories to this form, unless otherwise directed by both signatories and consented to by the School.

In respect of any unpaid fees, levies and costs owing by us to you, I hereby grant a charge in favour of Oakleigh Grammar over all my interests (from time to time) in any real property holdings. Should any fees, levies and costs be outstanding for more than 30 days after the due date of the account, I acknowledge that Oakleigh Grammar is irrevocably and unconditionally entitled to lodge a caveat against such real property as valid security for all amounts due and payable to us. Oakleigh Grammar will release any caveat promptly upon payment of all unpaid amounts.

A minimum of an academic term's notice in writing to the School Principal will be given before the removal of a student from the School, otherwise the School has the right to withhold fees or charge the fees for that term.

This application requires the signature of both parents. If both signatures cannot be provided, the circumstances should be indicated to the School, in writing as to why both signatures cannot be provided. If parents are divorced or separated, only one signature is required with proof of sole custodianship.
