EMPOWERING YOUNG MINDS

25 May, 2021

Dear Oakleigh Grammar Parents,

As you are aware, the Victorian Government has announced new coronavirus restrictions for greater Melbourne in response to the latest outbreak.

Mask Wearing

I wish to advise all parents that students in Middle and Senior School will be required to wear a mask compulsorily indoors whilst on campus, unless eating or drinking. In addition, under the direction of teachers, students may be required to remove masks depending on the nature of the learning activity in a particular classroom. Mask wearing indoors on campus will commence tomorrow for all relevant students, staff and visitors (including parents), and be maintained until further notice.

All parents are requested to provide a face mask for your children. Cloth face masks are preferred as they can be re-used and regularly washed. Surgical face masks are effective for approximately four hours, which means students would need at least two of these per school day. I encourage all parents to provide spare masks to your children to ensure their safety is maximised whilst at school. Parents are encouraged to demonstrate how students should fit their masks and also to remind them of the importance of sanitising their hands before and after removing masks.

I strongly encourage conversation at home with your children pertaining to good hygiene practice. This includes washing hands thoroughly and regularly, sanitising, coughing into your elbow and remaining home if you have upper respiratory symptoms.

If any family member of our students has been in a designated exposure site, please ensure our school is notified and immediate testing is undertaken. Students must remain at home until a negative test has been received by the family member.

As the situations evolves, we will keep you updated if there are any changes to school COVID protocols.

Yours sincerely

Mark Robertson
