<b>Policy Document Name</b>	<b>Mandatory Reporting &amp; Procedure</b> (incorporating Child Abuse Allegation Procedure & Incident Report Form)
<b>Date Ratified by Board of Management</b>	August 2021
<b>Date for Review</b>	August 2022

## 1. Preamble

Oakleigh Grammar has a **zero-tolerance approach to child abuse**. The School must and will comply with the minimum standard for the care, safety and welfare of students as detailed in the **Child Safe Standards** specified by *Ministerial Order No. 870*. Underpinning the information and procedures discussed in this policy is the *Children, Youth and families Act 2005*. All employees of the School undertake compulsory annual Mandatory Reporting training.

## 2. Purpose

The purpose of this document is to outline the Oakleigh Grammar (the School) responsibilities and approach to Child Protection Reporting.

The Policy provides the School, its staff, contractors and volunteers with an outline of what to do in the event of incidents, disclosures or allegations of child abuse against a student or child in the care of the School.

The Policy must be read in conjunction with the Child Safe Policy.

## 3. Policy Scope

The policies and procedures contained in this document cover both contemporary and historical child abuse matters. The document applies to all staff, contractors, volunteers and all students at Oakleigh Grammar and across all programs and activities both on school grounds and offsite where Oakleigh Grammar students are involved or that are overseen by Oakleigh Grammar e.g. school holiday programs.

All School staff, contractors and volunteers must familiarise themselves with this Policy document and respond appropriately and in accordance with the provisions of the Policy.

All teaching staff are required to complete the Mandatory Reporting eLearning Module on a regular basis, as a part of the School's child safe training.

Where a former student discloses or is the alleged victim of any type of abuse, as outlined in this policy, the School will provide support to the student and contact the Police immediately for further investigation.

#### **4. Policy Statement**

The School recognises that it is essential that the safety, health, welfare and wellbeing of its students are safeguarded at all times. Every person working or visiting the School is responsible for the ongoing care and protection of its students.

The School is committed to ensuring all incidents, disclosures or allegations of Child Abuse are reported immediately to the appropriate authorities and the child's wellbeing is at the centre of any actions or decisions that ensue.

The school adheres to the Child Safe Standards and Mandatory Reporting legislation. All School personnel, teachers, either voluntary or paid, who have formed a belief based on *reasonable grounds* of child abuse are to contact the Child Safe Officer and collectively make a Mandatory Report.

In addition to Mandatory reporting the School requires **all** School staff members, contractors and volunteers, whether required by the legislation or not, who have formed a belief on reasonable grounds of any child abuse (sexual, physical, emotional/psychological, neglect, grooming or domestic violence), or who have had a student disclose child abuse directly to them or indirectly through a friend, are to report to the School's Child Safe Officer (Deputy Principal – Operations) or another member of the Senior Leadership Team or Principal immediately.

#### **5. Reporting Procedures**

The Child Safe Standards require schools to have processes for responding to and reporting suspected child abuse. This procedure is designed to provide guidance on what to do if a child discloses an incident of abuse, or if a parent/carer raises a concern or allegation of abuse.

##### **5.1 If a child discloses an incident of abuse to you**

- Try and separate them from the other children discreetly and listen to them carefully.
- Let the child use their own words to explain what has occurred.
- Reassure the child that you take what they are saying seriously, and it is not their fault and that they are doing the right thing.
- Explain to them that this information may need to be shared with others, such as with their parent/carer and specific people in the School.
- Do not make promises to the child such as promising not to tell anyone about the incident, except that you will do your best to keep them safe.
- Do not leave the child in a distressed state. If they seem at ease in your company, stay with them. Take measures to protect the child until the allegation has been resolved.
- Provide them with an Incident Report form to complete, or complete it together, if you think the child is able to do this.
- As soon as possible after the disclosure, record the information using the child's own words if this has not already been done, and report the disclosure to the Child Safe Officer (or member of SLT if the Child Safe Office is absent) and together inform Child First or Child Protection.
- Ensure the disclosure is recorded accurately on an Incident Report form, and that the record is stored securely in a central file (Principal's office)
- HOS to ensure that the essential details of any disclosure are reported to the Deputy Principal - Operations for inclusion in the Central Annual Reports Register. Deputy Principal - Operations to advise Principal.

## **5.2 If a parent/carer says their child has been abused at School or raises a concern**

- Explain that the School has processes to ensure all abuse allegations are taken very seriously.
- Ask about the wellbeing of the child.
- Allow the parent/carer to talk through the incident in their own words.
- Advise the parent/carer that you will take notes during the discussion to capture all details.
- Explain to them the information may need to be repeated to authorities or others, including the Child Safe Officer, Child First or Child Protection.
- Do not make promises at this early stage, except that you will do your best to keep the child safe.
- Provide them with an Incident Report form to complete, or complete it together.
- Ask them what action they would like to take and advise them of what the immediate next steps will be.
- As soon as possible report the disclosure to the Child Safe Officer (DP-Operations) (or member of SLT if the Child Safe Office is unavailable) and together inform Child First or Child Protection.
- Ensure the disclosure is recorded accurately on an Incident Report form, and that the record is stored securely in a central file.
- HOS to ensure that the essential details of the disclosure are reported to the Deputy Principal (Operations) for inclusion in the Central Annual Reports Register. Deputy Principal (Operations) to advise Principal.

## **5.3 Governance Reporting**

The Principal will advise the Board of Management of any Mandatory Reports as part of the regular Board reports process.

## **5.4 Useful Information**

Staff need to be aware that some people from culturally and/or linguistically and/or intellectually diverse backgrounds may face barriers in reporting allegations of abuse. For example, people from some cultures may experience anxiety when talking with police, and communicating in English may be a barrier for some. Staff need to be sensitive to these issues and meet people's needs where possible, such as having an interpreter present (who could be a friend or family member).

If an allegation of abuse involves an indigenous child, staff will need to ensure a culturally appropriate response.

Some children with a disability may experience barriers disclosing an incident. For example, children with hearing or cognitive impairments may need support to help them explain the incident, including through sign language interpreters.

If a staff member believes a child is at risk of abuse/neglect they are to contact the Child Safe Officer (DP-Operations) and collectively make the following call:

1. During office hours contact CHILD FIRST 1300 762 125 (Monash) for wellbeing/neglect issues
2. Contact CHILD PROTECTION 1300 360 391 for a child in immediate danger of abuse or significant harm.
3. After hours contact CHILD PROTECTION 131 278.
4. CHILD FIRST or CHILD PROTECTION will contact Victoria Police if required.

## 6. Legal Responsibilities

**Circumstances under which a mandated reporter must make a report** - While the Child Safe Standards focus on organisations, every adult who reasonably believes that a child has been abused, whether in their organisation or not, has an obligation to report that belief to authorities.

Fulfilling the roles and responsibilities contained in this procedure does not displace or discharge any other obligations that arise if a person reasonably believes that a child is at risk of child abuse.

The **failure to disclose** criminal offence requires all adults (aged 18 and over) who hold a reasonable belief that a sexual offence has been committed in Victoria by an adult against a child under 16 to disclose that information to police (unless they have a reasonable excuse not to, for example because they fear for their safety or the safety of another).

While failure to disclose only covers child sexual abuse, all adults should report other forms of child abuse to authorities. Failure to disclose does not change mandatory reporting responsibilities.

**Mandatory reporters** (doctors, nurses, midwives, teachers (including early childhood teachers), school counsellors, principals and police and religious leaders) must report to Child Protection if they believe on reasonable grounds that a child needs protection from physical injury or sexual abuse.

The **failure to protect** criminal offence (commenced on 1 July 2015) applies where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently failed to do so.
