If the student is to leave the School for a short time while his or her family is overseas or for other reason, application for the period of leave must be made to the School as soon as possible. In such event, the student does not have an automatic right of re-entry to the School and the School is not obliged to maintain or hold the student's enrolment.

The School may in its discretion agree to hold the student's enrolment on the condition that an advance payment of a non-refundable holding fee of not less than one term's fees is paid if the application for leave of absence is approved. Where the parents/guardians of a domestic student decide that the student will not commence attending the School despite accepting an offer for enrolment, any fees paid for the enrolment will stand as non-refundable.

All tuition fees and other amounts payable to the School in respect of a student are to be paid up to date before the student starts each Term and, if not paid by that time, the School may suspend the student's enrolment and exclude the student from attending school until payment is made in full. Only in exceptional circumstances will the student be allowed to commence a new term if the account for the previous term has not been paid.

Student attendance at co-curricular activities (e.g. trips and tours etc.) may not be permitted if the school account is in arrears. The Director of Finance is authorised to take such action as may be necessary - including legal proceedings - to recover outstanding amounts. Interest may also be charged on overdue amounts, from the due date for payment until paid in full, at the rate for the time being fixed under section 2 of the Penalty Interest Rates Act 1983 (Vic). Any agreement or act by the School not to strictly enforce the terms of payment of its accounts is not a waiver of its right to require the student to be withdrawn and his or her enrolment cancelled. Parents will be notified prior to the end of Term 4 each year the updated fee's for the following year.

**9. Other costs and charges:** There are other school costs (e.g. music lessons, Out of School Hours Care, bus to/from school, camps etc.) which may be incurred during the student's time at the School. These may be levied to the fee account and will be payable in accordance with the School's terms of payment. Students are required to have a range of other items (eg books, computing equipment, uniform) during their enrolment, details of which may be obtained from the School if required. It is the responsibility of parents to ensure that students have these items.

**10. Privacy:** The School collects personal information, including sensitive information, about students and parents/guardians before and during the course of the student's enrolment at the School. The primary purpose of collecting this information is to enable the School to provide proper schooling for the student. This includes satisfying the needs of parents/guardians and the needs of the student throughout the whole period he or she is enrolled. Some of the information we collect is to satisfy the School's legal obligations, particularly to enable the School to discharge its duty of care. The School's Privacy Policy applies to the collection, use and disclosure of personal information by the School. The School is authorised to use photographs and video footage taken of the student and the parents/guardians during School business or functions in publications of the School including its website and promotional brochures and material. It is a requirement of the School that parents are respectful of the privacy and rights of others in relation to taking and/or disseminating any photos or videos of School activities.

**11. Court orders:** The parents/guardians agree to provide and disclose to the School on a timely basis copies of all Family Court orders that may impact on or relate to the student. This includes orders concerning the parent or person with whom the student lives and the rights of each parent/guardian in respect of decisions concerning the student's education and day to day issues. The parents/guardians also agree to provide and disclose to the School on a timely basis all Court intervention orders (including personal safety intervention orders) made against both or either parent/guardian or other persons in respect of their communication or contact with the student. The parents/guardians will at all times act in accordance with any relevant Court orders in their dealings with the School and update the school when new orders are put in place.
